

2017-2018

Dear Business Owner,

I'm Katie Abbott, returning PTSA President and alumna of Palmetto Middle School, located in Pinecrest, Florida. This year we are continuing a successful business sponsorship program that started last year at our school, and are asking local businesses, Palmetto Middle School alumni, and community leaders to participate. Our goal is to raise \$40,000 through this program. 100% of the proceeds go directly back to the school to fund student programs and needs, teacher mini-grants, technology improvements, school beautification projects, and more.

While building your business profile and customer base, you can simultaneously make a real difference at a neighborhood school. You may be aware that Florida school funding is among the lowest per capita. Fortunately for our school, the PTSA is here to bridge that gap. With community and parental support, we have been able to help with school, student, and teacher needs.

There are several reasons why your business may be interested in this program. Most importantly, we are a tax-exempt organization, so your donation is tax-deductible. Second, our sponsors are recognized in many ways, to thousands of Palmetto Middle family and community members. Sponsors will be recognized in our e-newsletter, on our app, on our Facebook page, and in school, depending on the level of sponsorship. Third, we have several levels of sponsorship to consider, of various categories. We have opportunities to contribute to general or specific needs. It's up to you.

Although my #1 priority is Palmetto Middle School, I have worked closely with our area PTAs and community leaders to promote our amazing, public neighborhood schools. It can be a challenge with the proposed budget cuts to public education, and current focus on options such as magnet, charter, and private schools. We continue to believe that Palmetto Middle School is an excellent school choice, able to successfully meet the needs of students of multiple abilities. Palmetto will continue to serve our neighborhood and strengthen our community.

Please peruse the various Business Sponsorship opportunities we offer. If you have any questions, or have other ideas of how to support our school, please contact me directly. Whether you choose to participate in our program or not, we encourage you to be a community member of our PTSA for a nominal fee. Membership can be obtained online: <http://www.pmsptsa.org/join.html>.

More information about Palmetto Middle School PTSA, including information about how we communicate with our Palmetto Middle School community, can be found on our web site: <http://www.pmsptsa.org>

Again, thank you so much for your consideration.

Katie Abbott
