

FUNDRAISER

March 3rd - March 15th

Supporting Palmetto Middle School PTSA

We have an upcoming fundraiser and have teamed up with Nailed It DIY Studio in Palmetto Bay. When you visit a Nailed It DIY Studio, you can expect to be a part of an experience that is fun, relaxing & rewarding! What that means is that you get to use your creativity while we teach you a few tricks and tips that will result in a beautiful custom wood project like none other.

Nailed It DIY Studio has set up several dates and times for us to visit their studio. When choosing a date and time please visit their website at www.miami.naileditdiy.com Look for the date on the calendar, choose your project, checkout using the coupon code and your seat will be reserved. You must register in advance because seats are very limited. A portion of the proceeds will be donated back to the Palmetto Middle School PTSA. Listed below are the dates and times available to our school.
